

GOLF BALL AND BALL MARKER GIFT SET

The One Ball Gift Pack is perfect for sales call gifts, customer loyalty programs or golf tournaments. Each pack includes one imprinted Top Flite golf ball and one imprinted domed epoxy & metal ball marker.

Our golf balls are classic white Top Flite XL balls, but ball colors other than white are also available. Please ask your distributor for more information.

The domed ball markers themselves are made from a Linkswalker-branded metal base and remark. On the top of the base is a rich enamel color. The marker is then finished with a durable, clear epoxy dome — on top of which we print your design.

Our imprinting presses are capable of up to five spot colors, four color process or four color process plus one spot color. We proudly use Pantone Matching System basic colors, spot color formulas and metallic inks.

The finished ball and marker are then packaged in a clear plastic clamshell. Additionally, the clamshell insert card itself can be fully customized with four color process printing on the front and back.

Your logo is imprinted on top of the epoxy dome to give it a three-dimensional look. Marker colors are garnet, red, orange, green, royal blue, purple, navy, black and white.

| Code | 72 | 144 | 288 | 576 |
|------|--------|--------|--------|--------|
| GBBM | \$6.00 | \$5.75 | \$5.50 | \$4.50 |
